Mr Ralph R. Shaw.

Dear Sir

I do not have a price list I intend to have one published this season

I just quote the pine seeds as follows

Longleaf Pinus
palustris \$2.00 per lb
F.O.B. R.R.

Loblolly Pinus taeda,
\$3.00 per lb F.O.B. R.R.

Pond pine Pinus
serotina \$10.00 per lb
F.O.B. R.R.

I also produce
Magnolia plants
appocita plants
Shrubbergs
will have some for
sale this fall following
also Venus fly
traps witcher plants
& Botany plants
as this is the only
section of the U.S. &
that this plant
grows natural in the
woods, a rare plant.
I will send you a catalog.
later
